I.

INTRODUCTION

1. Dr. Michael C. Trahos, D.O., NCE, CET (Commenter), pursuant to Section 1.45 of the Federal Communications Commission's (Commission) Rules, hereby submits these Reply Comments in Response to Opposition, filed by Kenneth A. Piletic (Piletic), to a Motion to Dismiss Late Filed Comments.

DISCUSSION

2. On March 1, 1993, this Commenter submitted a **MOTION TO DISMISS LATE FILED COMMENTS** (MOTION) of Piletic to untimely filed comments to a Petition for Rule Making, RM-7888. On March 29, 1993, Piletic filed a "Consideration of Comments" request, which essentially constitutes as an **OPPOSITION TO MOTION** (OPPOSITION), pursuant to 47 CFR 1.45(a).

3. In the OPPOSITION, Piletic is requesting that the submission of February 23, 1993 be now considered as comments to the Notice of Proposed Rule Making, PR Docket 92-289, when legally the submission of January 25, 1993 was clearly intended as comments to the Petition for Rule Making, RM-7888. Regretably, this is against Commission regulations pursuant to 47 CFR 1.405(a)&(b) and as fully elaborated upon in the original MOTION.

4. This OPPOSITION is also untimely filed and therefore out-of-order. Pursuant to 47 CFR 1.45(a), any opposition is to be filed within 10 days from the submission of the petition. Since it

5. Lastly, pursuant to 47 CFR 1.45(c), unless the Commission authorizes or requests additional pleadings in this matter, further correspondence from Piletic is essentially prohibited.

III.

CONCLUSION

6. Commission denial of the OPPOSITION and adoption of the MOTION to dismiss from the official record the comments of Piletic is in compliance with the rules and in the public interest.
